

Nuts' naughty new discovery on why brunettes have more fun!

uts has scoured the British Isles to bring you yet another eye-popping babe. So take a pew and say hello to 25-year-old Emma Glover from Essex. She's hot!

Hi Emma! How was your first Nuts shoot? It was great! I can't wait to see the pictures in the magazine. I'll probably cry! I was wearing nice shoes, too - that was my favourite part of the whole shoot! You're a brunette - does that mean you're all dark and mysterious? Of course! I think brunettes are harder to work out and you should always leave a bit to the imagination - it's much sexier!

Do you have any sexy hobbies?

I have a pole at home and practise pole dancing a lot. I usually do it alone but if a bloke asked nicely, I might put on a show for him! Crikey! Would he have to be a Brad Pitt lookalike? No, not at all! Nice eyes do it for me, and he'd have to have a good sense of humour and not take himself too seriously. I'm a bit weird, too - I find stupid stuff funny, like when people fall over. As long as it isn't me! Have you ever taken a tumble

on a night out? Yeah, I fell down

some stairs in a club once! I was

dancing at the top, trying to be

sexy, and I took a step forward

and fell down the whole lot!

violet? I'm usually the ringleader! I lead the troops into battle and pick up recruits on the way. I love to party and I always make sure I'm the last one standing! Do you have a party trick? I can down a pint in one go! It's earned me quite a bit of money - I bet big, burly men that I can beat them in a race and they don't think I can. But they love it when I do! What's your favourite tipple? Well, when it comes to downing a pint, I go for cider. I went to uni in the West Country, so I'm quite partial to cider and black. Otherwise, I'd have to say champagne - as long as someone else is paying!

Are you a wild child or a shrinking

It sounds like you don't do things by halves! No. I spent 11 days in Ibiza last summer and that was wild - I'm talking all night and all day, every day. I loved it so much, I'm going back in June with 15 of my friends. And they're all fit! Phew! What do you wear when you go out? As little as possible - a pair of hotpants and not a lot else! And what do you like to wear in the bedroom? Socks, as I like to keep my feet warm! If I'm with a fella, I might wear some saucy underwear - preferably something see-through. Oh, and I have some lucky green pants! They're small and lacy, so they're quite sexy. I'll never throw them away!
